respACT and AustrianStartups bring with [circle17](#) innovative startups together with established organizations to jointly develop business models in line with the SDGs (Sustainable Development Goals).

After successful workshops, an Impaction and coaching, the next milestone of the circle17 program is now coming up, the matchmaking event, where **key players of the sustainability scene meet the startup scene**.

In addition to an exciting **panel discussion**, the event is all about exchange, bringing together the best of both worlds. Create a meaningful profile to increase your company's visibility at the marketplace and discover potential partners that help level up your business. Book 30-minute **1:1 meetings** with them to make promising contacts.

Your solution should address challenges in the areas of:

-  People & Safety
-  Environment
-  Sustainable Products & Services
-  Energy & Climate Action
-  Sustainable Value Chains
-  Sustainable Finance
